

INKPEN AND COMBE BULLETIN

DECEMBER 2025 – JANUARY 2026

## CHURCH LETTER

My dear friends,

As we gather around the manger this Christmas, I'm struck by just how much has unfolded in 2025. We are all a year older (some of us more willing to admit it than others!), yet with that passing of time comes a deeper sense of who we are as a church and as a community.

Across our country, we've seen moments of change. A new Archbishop of Canterbury, Dame Sarah Mullally D.B.E., brings a fresh voice of faith and encouragement to the Church of England. Here in our diocese, our new Bishop, Mary Emma Gregory, guides us with wisdom and care, supporting parishes like ours as we grow in faith and serve our communities.

Here in our parish, we've seen signs of renewed life. New faces have joined us, familiar ones have stepped into new roles, and long-prayed-for ministries have begun to take shape. In our homes, life has unfolded in its own beautiful way: grandchildren, great-grandchildren, and even furry companions have brought fresh joy. These arrivals remind us that love is always coming into our lives, renewing and sustaining us.

Christmas itself brings a similar gift. The glow of lights, familiar carols, and well-loved traditions remind us of stories, people, and moments that shape us. Yet Christmas is not just about looking back—it's about Emmanuel, God with us now. In a world that often feels uncertain, the birth of Jesus anchors us in hope that does not fail.

As we step into January and the season of Epiphany, that hope invites us to journey further. Just as the wise men followed the star, we are called to follow the light of Christ into the world—bringing love, kindness, and hope wherever we go. This is a season of discovery, of noticing where God is at work, and of joining in that work with courage and joy.

So, as we enter 2026—older, perhaps wiser, and hopefully a little kinder—may we carry with us the message of the stable: that light shines in darkness, love is stronger than fear, and God's future is always bigger than we imagine. May our parish continue to grow in faith and community, and may God bless you and your loved ones abundantly in the year ahead.

Wishing you a peaceful, joyful Christmas and a bright, hope-filled Epiphany.

With love and prayers,

Your Vicar, Annette

## NEWS FROM St. MICHAEL'S

We are very grateful to lay reader Andy Pain who led our **Remembrance Service** in November and to John Seabridge who preached with great emotion about memories of his grandfather's experiences in the First World War. The service was, as always, very moving as a candle was lit by Wilf Webb during the playing of Elgar's Nimrod. Thanks to David Thomas who lent the 1914/18 soldiers' candle holder which belonged to his grandfather while serving with the Royal Surreys.

The First Christmas by Ethel King Martin 1910, Inkpen Church

Our **Advent Services** begin with **Christingle and Puppets at 4pm on 7<sup>th</sup> December**. This is a candlelit service where the promise of oranges, sweets and puppets ensures a Church packed with children. Meg kindly invites any children (and adults too) to her house in Heads Lane to make the Christingles at 10 o'clock on Saturday 6<sup>th</sup>. Drop Meg an email to let her know you are coming [megandtonyatkins@googlemail.com](mailto:megandtonyatkins@googlemail.com)

The **Carol Service** is on Sunday 21<sup>st</sup> December at 6.30. Mulled wine and mince pies will be served from 6 o'clock to warm everybody up. There will be a small choir for this service and if anyone would like to sing in it, please contact Christopher Sears at [treasurer.inkpenchurch@outlook.com](mailto:treasurer.inkpenchurch@outlook.com)

On **Christmas Day** we have our usual two-part service starting at 9.45 with a Family Service, followed, after a short break to release cooks and over-excited children, by a short service of Holy Communion.

## Holy Communion at Home

We are now offering parishioners Holy Communion at Home. This might appeal to those who are unable to come to Church. Contact Annette 07708 823285

## Royal British Legion Poppy Collection

Thank you to all our house-to-house collectors, Inkpen School, The Crown & Garter pub and to all of you who donated to the poppy collection in Inkpen this year.

We raised £1,905.45 and then with those of you who kindly gave Gift Aid the total increased by £95 taking the total to £2,000.45 which is more than last year. A fantastic contribution to all the support the RBL offers those in need and much appreciated. I am so grateful for all the support from the house-to-house collectors and for all your generosity. Special mention must go to Meg Atkins who has for years done the collection on Heads Lane and seems to manage to get everyone to complete a Gift Aid envelope. Thank you to those who came to the Remembrance Service your donation of £635 helped make this year's total such an amazing sum.

I know many don't have cash and there are many other places to donate and get a Poppy, so this is a fantastic total for the village contribution to this important cause. Stay safe and thank you.

## INKPEN SCHOOL / INKSPOTS

Here at Inkpen Primary School, we are getting very excited about Christmas. Although it is still November, rehearsals for our Infant Nativity "A Christmas Recipe" are well underway. The Reception, Year 1 and Year 2 children are really looking forward to sharing this with their families. The older children are also enjoying their preparations for our school Christingle service and are enjoying rehearsing some traditional Christmas carols as well as some well-known modern classics.

As part of our festive preparations, our Pheasant and Red Kite children went to Yew Tree Garden Centre to select and dig our Christmas tree. Thank you to Yew Tree for donating this tree to us and for providing a great opportunity to our children.

On behalf of everyone at Inkpen Primary School, I wish you and your families a safe and peaceful Christmas.

## THE INKPEN HISTORY SOCIETY

Thanks to Stephen Smallbone, the newspaper clips have been brought closer up to date. We're now covering the period from 1750 through to 1960. This is a huge piece of work that will be made available on our history website very soon.

We still have audio tracks to complete and photos to scan. We could do with some help scanning photographs and transcribing hand written text so please get in touch via [inkpen-climate@outlook.com](mailto:inkpen-climate@outlook.com) if you think you can help.

We will have another attempt at starting some proper archaeology, (a dig on an Inkpen site) in late March / early April 2026. The site that we are hoping to dig is thought to be a late Saxon, early Medieval site with links to the crusades. If you think you might be interested, please email us, as above, and we'll keep you posted. The dig is likely to last for a minimum of several weeks. We will try and get a trained archaeologist to organise the dig so that we don't damage the site.

Do keep an eye on the history group's website [history.inkpenvillage.co.uk](http://history.inkpenvillage.co.uk) for the date of the next meeting, which is likely to be in February. Have a great Christmas and all the best for the New Year.

## INKPEN POP-IN CAFÉ

Through-out October Pop-In café users raised £80 for Dementia UK. This has now been sent to them, and we are very grateful to all those that contributed. Do remember that if you need help with, or for, a dementia sufferer, just call **0800 888 6678**, or email [helpline@dementiauk.org](mailto:helpline@dementiauk.org). Admiral Nurses are there to help you. You are not on your own – just make that call!

We are now entering the exciting Christmas period. Special cakes, chocolates, and drinks, we might even run to a little sparkly Christmas tree. Do come and join us. If you haven't been before, don't put it off any longer. You will be most welcome and it's on your terms, just as you want it to be.

Here's what AI has to say about the café: *Socializing is important because it improves mental and physical health by reducing loneliness and stress, and it boosts cognitive function. It fosters a sense of belonging and purpose, helps in personal growth and the development of social skills, and can even contribute to a longer lifespan.*

The December dates are the 4th and 18th of December and the 8th of January. Just the one café in January because the first Thursday is also New Year's day. Put these dates in your diary and make sure you come and join us. See you at the café. Have a Happy Christmas and New Year.

## STARGAZERS

At our November meeting it was cloudy yet again, so we improvised with a short talk about the fabric of space-time and a little bit about what Black holes might be. In December we will again hope for clear skies but just in case it's cloudy we'll be talking about the basics of telescope design – what the F number means, plus a short talk about how to spot the constellations in the night sky.

The December meeting is on the second Wednesday, which I think is the 10th. All are welcome. It's £15 for annual membership (June to June) or £3 per person for a single visit. The January meeting is on the 14th. Our aim is always to look at the night sky, but we seem to be rather unlucky in this respect.

We are noticing poorer and poorer conditions in which to observe the night sky. Anecdotally we believe this to be due to global warming/climate change. Well now we have been invited to join with Newbury Astro and Marlborough College to methodically measure these changes in sky quality.

At our November meeting there was unanimous support for our involvement with this. Now we must work out what we need in terms of equipment and what we need to do in terms of using it. This is really important work.

If you would like to come and join our group then please email us at [inkpen-climate@outlook.com](mailto:inkpen-climate@outlook.com)

## THE LIBRARY BROUGHT TO YOU

Library services provide an amazing array of things that you can easily access at home. You can read the daily papers, journals and magazines, listen to audio books, and even read trending books online. If you haven't tried it, do give it a go. You'll need a library number and password I think but these are easy to get from the library and it's completely free.

On your laptop or tablet, go to [westberkshire.borrowbox.com/audiobooks/featured](http://westberkshire.borrowbox.com/audiobooks/featured).

If you're not on the internet but would like to give it a try, or you don't know how to set it up, come along to the Pop-In Cafe, and we'll help you get started. Or, you can ring West Berkshire Library on 01635 519900, email [library@westberks.gov.uk](mailto:library@westberks.gov.uk). They'll be more than happy to help you get started.

You can also use the 'borrowbox' app.

This is an amazing resource which you are very likely to find worth your while trying. As there seems to be less and less worth watching on TV, what could be better than cosying up to an audio book on a dark autumn or winter evening.
