PRAYERS

Lord, we pray

for communities in Northern Ireland affected by recent unrest; bring calm, understanding, and peace.

for children and young people online; protect them from harm and guide those responsible for their safety.

for families struggling with rising housing and living costs; provide support, security, and hope.

for farmers and all who work the land as they face changing weather conditions; grant them wisdom and a fruitful season.

for the people of Ukraine and all caught up in war; bring comfort to the suffering and a just peace.

for those affected by conflict and humanitarian crises in the Middle East and around the world; protect the vulnerable and strengthen aid workers.

for our leaders at home and abroad; give them wisdom, integrity, and a desire to serve the common good. Amen.
